

Craft Show 2010

PLEASE NOTE: we have made changes to the booth numbers of the craft show. If you are a return vendor wishing the same spot as you had in 2009, please use the new number if applicable, or put down "same as in 2009" on your application and we will place you in the same spot if your application is received before December 4th 2009. After December 4th 2009, all vendor spots will be open to any vendor and return vendors will not be guaranteed their 2009 location.
