

We are proud to partner with Port Elgin Home Hardware to encourage our youth to GROW.

We gave seeds out in the Spring, but all young growers are welcomed to bring in their home grown specimens

| What did you bring today         | <i>?</i>                           |  |             |
|----------------------------------|------------------------------------|--|-------------|
| Family Growing Name:             |                                    |  |             |
| , ,                              |                                    |  | <del></del> |
| Children(s) Names                |                                    |  |             |
| Address:                         |                                    |  |             |
| Town:                            |                                    | Province/State:                              |             |
| Postal/Zip Code:                 | Telephone:                         |  |             |
| Email:                           |                                    |  |             |
| Do you have a story abo          | ut growing to share?               |  |             |
|                                  |                                    |  |             |
|                                  |                                    |  |             |
|                                  |                                    |  |             |
| I have read and agree to comp    | ly with all the rules and regulati | ons posted for this weigh-off                |             |
| Signature:                       |                                    |  |             |
| If under 19 year, a parent or gu |                                    |  |             |
|                                  |                                    | <del>-</del>                                 |             |
| This form mus                    | t be completed and submitted t     | to the Registration Area in order to qualify |             |
